REGULAR MEETING  
MAY 21, 2008**

**1. PLEDGE OF ALLEGIANCE**

The meeting was called to order at 7:07 p.m. and was followed by the Pledge of Allegiance.

**2. ROLL CALL**

Present at the meeting were Mayor Truex, Vice-Mayor Luis and Councilmembers Caletka and Starkey. Also present were Town Administrator Shimun, Town Attorney Rayson, and Town Clerk Muniz recording the meeting. Councilmember Crowley was absent.

Councilmember Starkey made a motion, seconded by Mayor Truex, to excuse Councilmember Crowley's absence. In a voice vote, with Councilmember Crowley being absent, all voted in favor. (Motion carried 4-0)

Mayor Truex advised that staff had requested that item 5.1 be tabled to June 4, 2008.

Councilmember Starkey made a motion, seconded by Mayor Truex, to table. In a voice vote, with Councilmember Crowley being absent, all voted in favor. (Motion carried 4-0)

Mayor Truex stated that staff had requested items 3.3 through 3.6 be tabled, but noted that residents were present to speak on these items. Councilmember Starkey wanted to allow residents and representatives to speak this evening. Vice-Mayor Luis preferred waiting until the items were heard. Mr. Rayson confirmed the decision whether or not to hear from those in attendance was Mayor Truex's decision.

Councilmember Starkey made a motion, seconded by Mayor Truex, to table items 3.3, 3.4 and 3.5 to June 18, 2008 once the public who were present were heard. In a voice vote, with Councilmember Crowley being absent, all voted in favor. (Motion carried 4-0)

Councilmember Caletka made a motion, seconded by Mayor Truex, to table item 3.6 to June 18, 2008. In a voice vote, with Councilmember Crowley being absent and Councilmember Starkey dissenting, all voted in favor. (Motion carried 3-1)

3.3, 3.4, 3.5, and 3.6 Earlier in the meeting, Mr. Shimun stated that he had asked Chief Montopoli to reconsider all locations for Fire Stations in the Town. Mr. Shimun believed this reconsideration would affect the site of this Fire Station.

Mayor Truex opened the public hearing portion of the meeting.

Andy O'Boyle said that everyone in his community wanted more information and had scheduled a public information meeting. He asked that these items not be heard until after this meeting. Mayor Truex confirmed that this meeting would be held on June 17 at 7:00 p.m. at Rick Case Honda, and he would attend. Councilmember Starkey requested

that this meeting receive public notice, since she, Vice-Mayor Luis and Mayor Truex would all attend.

Sam Hammer was concerned that these items had been placed on the Consent Agenda as he thought they had agreed to hold a public hearing on these items. He stated that there were three problems with moving the site to 26 Street and Flamingo: moving the station north would increase response time by at least two minutes to locations south and west; the Town had not budgeted for the facilities, staff or equipment; and the traffic, noise and environmental mitigation must be addressed.

Joyce Stewart, Chair of the Open Space Advisory Committee, reminded Council that they had been seeking ways to legally protect open space parcels. She noted that this open space parcel with wildlife habitat was now threatened. Ms. Stewart felt it was a bad message to send to residents who had spent tax money through the bond issue to acquire open space. She asked Council to direct staff to determine a way to ensure that this parcel would never come up for discussion again, and to keep the Fire Station in its current location.

Karen Stenzel-Nowicki asked Council to reconsider locations. She had been in touch with the National Wildlife Federation, who was interested in working with the Town concerning many of their parcels.

Lisa Bembeck-Reardon distributed handouts to Council and stated that she opposed utilizing the site for a Fire Station. She was very concerned about the burrowing owls nesting there, noting that they were protected. Councilmember Starkey had visited the site with Ms. Bembeck-Reardon, and informed Council they had counted nine owls and five burrows on the previous Sunday.

Francine Profitt said that email received from the Shenandoah community was mostly in opposition to the Fire Station at this location. She said that the residents were concerned about response times, noise, environmental and traffic issues, and loss of open space.

Kathy Cox said that unless they planned on continuing 26th Street, response times would suffer. If they planned on continuing 26th Street, she stated, "You're going to have a war on your hands." Ms. Cox pointed out that those pieces of property were part of the County Open Space Trails Program.

Vice-Mayor Luis asked everyone to wait until they heard all of the facts before making up their minds because this was a life safety issue.

3.15 Mayor Truex advised that Councilmember Crowley had requested that item 3.15, which affected his district, be tabled until he could be present on June 18, 2008. Councilmember Starkey made a motion, seconded by Mayor Truex, to table item 3.15 to June 18, 2008. In a voice vote, with Councilmember Crowley being absent, all voted in favor. (Motion carried 4-0)

Councilmember Starkey made a motion to add item 8.1, Owls' Lookout Park. Motion died for lack of a second. Mayor Truex felt they should resolve some of the other issues before discussing this item.

Councilmember Starkey requested copies of all minutes of Town Council meetings and workshops pertaining to the Fire Bond, as well as all other pertinent documentation, graphics and studies. Mayor Truex advised that Councilmember Starkey present a written request to Mr. Shimun for specific documents she was requesting.

Councilmember Starkey pointed out that at the April 16th Council meeting, a motion had included the requirement that neighbors be noticed on this issue. She asked Mr. Shimun why this had not been done. Mr. Shimun said that they had not been noticed because Fire Chief Joe Montopoli had agreed to consider all of the sites and staff planned to request tabling the item.

- 3.15 MSP 5-1-08, Nova Southern University, 3301 College Avenue (RAC-AV) **[see related item 3.12]**

Vice-Mayor Luis pulled items 3.2 and 3.14 from the Consent Agenda. Mayor Truex stated that Town Clerk Muniz had requested that item 3.10 be pulled.

Deborah Colabella said that she and her neighbors were present regarding the project on Nova's south corner. Mayor Truex informed her that her concerns were actually pertinent to item 3.15, which had been tabled.

Debbie House asked if the residents would have an opportunity to meet with representatives from Nova Southeastern University and the Town. Mr. Shimun responded that a meeting was planned. Ms. House pointed out that there had been a problem with notices sent to homeowners for the previous community meeting and advised that she and others on her street had not received the notice. Acting Development Services Director Marcie Nolan stated that the date for the meeting would be determined by the end of the week.

Councilmember Starkey made a motion, seconded by Mayor Truex, to approve the Consent Agenda, less items 3.2, 3.10 and 3.14. In a voice vote, with Councilmember Crowley being absent, all voted in favor. (Motion carried 4-0)

#### **4. DISCUSSION OF CONSENT AGENDA ITEMS**

3.2, 3.14 and 5.2 Mr. Rayson swore in witnesses and read the resolution and ordinance by title.

Planning & Zoning Deputy Manager David Abramson summarized the staff report and the conditions of approval from the previous meeting: approval from Central Broward Water Control District; installation of a crosswalk at the intersection of SW 130 Avenue and SW 14 Street; and consideration of moving the landscaping from the western property line to the school. Councilmember Starkey noted that the landscape relocation was voluntary, not a condition of approval.

Bill Laystrom, representing the applicant, reported that they had filed applications with the Central Broward Water Control District and he requested that the item regarding the plat be tabled until their application was voted upon. He anticipated that this would be done by Council's June 18th meeting. Mr. Laystrom reminded Council that at the last meeting he had also agreed to provide a deed restriction to 38 single-family lots and to provide a landscaping buffer along the south side of SW 14 Street. He asked that this be separated from site plan approval since he did not know how long the work would take. Mr. Laystrom also asked Council to approve the rezoning and the site plan because the developer had a bank commitment that would expire on May 28th that required rezoning and site plan approval.

Councilmember Caletka was concerned that the oak trees on the site were listed as being in poor condition and that this could be used as a reason to destroy the trees. Mr. Laystrom agreed to allow the Town arborist to inspect the trees and suggest any appropriate remedial action.

Mr. Laystrom confirmed that the applicant had agreed to plant trees to the end of the Lorsen property on the south side of 14th Street. Vice-Mayor Luis asked Mr. Laystrom if he would consider planting trees the full length of the property. Mr. Laystrom agreed, but asked that this be separate from site plan approval.

Mr. Rayson opened the public hearing portion of the meeting. As no one spoke, Mr. Rayson closed the public hearing portion of the meeting.

Council gave their disclosures.

Councilmember Starkey made a motion, seconded by Vice-Mayor Luis, to table item 3.2 to June 18, 2008. In a voice vote, with Councilmember Crowley being absent, all voted in favor. (Motion carried 4-0)

Councilmember Starkey made a motion, seconded by Vice-Mayor Luis, to approve item 3.14, with all the terms and conditions listed by staff and the Site Plan Committee, including adding trees along the south of 14th Street all the way down to the longer part of the property, which was approximately 1,200 feet, also including the arborist's inspection of the trees and a wildlife survey.

Councilmember Caletka reminded Council that the neighbors had been concerned when Lorsen Estates was proposed that the developer would acquire the property next door and increase the density, and this was exactly what had happened. He had opposed Lorsen the first time and opposed this as well. Mayor Truex noted that this would actually decrease the density and the restrictive covenant agreeing to lower the density would run with the property.

In a voice vote, with Councilmember Crowley being absent and Councilmember Caletka dissenting, all voted in favor. (Motion carried 3-1)

Councilmember Starkey made a motion, seconded by Mayor Truex, to approve 5.2 with the same conditions. In a roll call vote, the vote was as follows: Mayor Truex - yes; Vice-Mayor Luis - yes; Councilmember Caletka - no; Councilmember Crowley - absent; Councilmember Starkey - yes. (Motion carried 3-1)

3.10 Town Clerk Muniz explained that there was a scrivener's error and requested approval subject to correcting the title, changing Youth Education and Safety Advisory Committee to Youth Education and Safety Advisory Board.

Councilmember Starkey made a motion, seconded by Mayor Truex, to approve, subject to that change. In a voice vote, with Councilmember Crowley being absent, all voted in favor. (Motion carried 4-0)

- 7.1 Charter Review Board Recommendations

Council agreed to defer this to their next meeting when Councilmember Crowley could be present.

- 7.2 Nuisance Abatement (Losee Estate)

Code Compliance Official Danny Stallone reported that they were very close to an agreement. He advised that he had requested estimates from four companies and the estimates ranged from \$13,000 to \$30,000. Once funds were identified, staff could proceed with the bid process. Mr. Stallone explained that the Town would put up the money and the stipulation agreement would include a "super priority lien" to recover the funds. Mr. Rayson explained that there were no assets in the estate aside from the property, which was why the owner could not afford to comply the property. There was a pending sale on the property and the Town's lien would have top priority. Mr. Rayson was confident the Town would be paid in full and the property would be mitigated.

Vice-Mayor Luis made a motion, seconded by Mayor Truex, to give staff permission to move ahead.

Councilmember Starkey felt this set a bad precedent for the Town to go onto private property and spend its own funds. Vice-Mayor Luis felt they were remediating a safety hazard for residents.

In a voice vote, with Councilmember Crowley being absent and Councilmember Starkey dissenting, all voted in favor. (Motion carried 3-1)

## **8. NEW BUSINESS**

- 8.1 Fireworks Display - Mayor Truex

Mayor Truex asked Mr. Shimun if there were available funds the Town could borrow that might or might not be repaid. Mr. Shimun responded that there were reserves. Councilmember Caletka felt funds should be transferred from the Community Endowment. Mayor Truex, Councilmember Starkey and Vice-Mayor Luis agreed.

## **9. SCHEDULE OF NEXT MEETING**

Town Clerk Muniz had received a request from the Planning and Zoning Division to schedule a meeting prior to the June 18th Town meeting to discuss the Comprehensive Plan update. Pending Councilmember Crowley's agreement, Council agreed to meet June 18 at 5:30 p.m.

## **10. MAYOR/COUNCILMEMBER'S COMMENTS**

### **COUNCILMEMBER CALETKA**

**DOWNTOWN DAVIE.** Councilmember Caletka requested that the Community Redevelopment Agency (CRA) address the Downtown Davie project at the next Council meeting. **FEE WAIVER FOR USE OF ROBBINS LODGE.** Councilmember Caletka reported that Western High School had requested another waiver for Robbins Lodge on August 15th.
